### About this event

"Music is feeling", said the winner of Eurovision 2017 Salvador Sobral from Portugal. This year, his feelings have won the hearts of Europeans! The eTwinning participants of the project "Let's make a bouquet of European symbolic flowers for the Eurovision winner 2017", have prepared a unique bouquet for the winner. The children of Troyeschyna Gymnasium quilled this bouquet from European Floral symbols and created a greeting card. I invite you to visit the padlet <https://padlet.com/dfktybyfufnfkmcrfz/y03ysap306bj> and write a message for Salvador Sobral. Let's celebrate this event together.

Europe and even the world became richer with your presence ... Certainly, the festival of Eurovision will offer us another type of songs ... with more feeling and meaning ... And all of this ... due to love between two brothers... A good example! In fact love makes miracles! Thank you Salvador and Luísa for this wonderful moment of simplicity and humanity! For you ...

### About this event

Kyiv is hosting Eurovision Song Contest for the second time. It is one of the longest running television shows in the world. The Eurovision Song Contest started with just seven participating countries in 1956. Until 2017, nearly 1,500 songs have taken part in the Eurovision Song Contest. Let's remember 65 winners of the song contests. There is a padlet for you to put the photos of the winners from your countries and your favourite songs, the address: <https://padlet.com/dfktybyfufnfkmcrfz/srwqle2a3mvn> . There is also a Power Point presentation about the history of the contest. Let's create the virtual WALK of FAME for the Eurovision winners
